

## 1F3 Subtraction

I can use the signs - and = when I write subtraction sentences

I can record a subtraction number sentence and tell you what it means

I can talk about subtracting  
I can use what it says in a problem to work out what sum to do

I can work out the difference between two numbers  
I can use objects to help me solve subtraction problems

I know some subtraction facts from 10, using number bonds

I know how to add numbers to make different totals up to 10 and I am beginning to work out take away answers as well

I can solve a problem or puzzle using subtracting

I can work out how much I have left from 20p when I buy a toy
